

NASA SEWP VI Ordering Guide — Business Technology Integrators (BTI)

How Federal customers can order IT products and product-based services from BTI through the NASA Solutions for Enterprise-Wide Procurement (SEWP) VI Government-Wide Acquisition Contract (GWAC).

About NASA SEWP VI

NASA SEWP is a multi-award Government-Wide Acquisition Contract (GWAC) managed by the NASA SEWP Program Office. It provides all Federal agencies and their approved contractors a fast, low-cost way to purchase commercial IT products and product-based services through pre-competed contracts, a central ordering process, and dedicated program-office support.

How to Request a Quote

Step 1 — Request a quote

Submit your requirement through the SEWP Quote Request Tool at sewp.nasa.gov and include BTi as a source, or email your requirement directly to the BTi SEWP Program Office at GWACOpps@go-bti.com.

Step 2 — Fair opportunity

Orders follow FAR 16.505. Give all eligible contract holders in the category a fair opportunity to be considered unless a documented exception applies. Using the SEWP Quote Request Tool supports compliance and records the competition.

Step 3 — Place the order

Issue a delivery order referencing BTi's SEWP VI contract number (80TECH26DD06829) and the accepted quote. Send the order to the NASA SEWP Program Office per current SEWP ordering instructions, copying BTi.

Step 4 — Fulfillment & support

The SEWP Program Office reviews and processes the order; BTi confirms receipt, delivers, and invoices per the order terms. The SEWP surcharge is included in pricing.

Customer Support

Reach the BTi SEWP Program Office at GWACOpps@go-bti.com or 202-850-0073 (Monday–Friday, business hours ET). For order status, delivery questions, or quote updates, please include your order or quote number.
